Treasury Regulations 94, promulgated under the Revenue Act of 1936:

ART. 26–2. *Credit in connection with contracts restricting payment of dividends.*— (a) * * * The provisions recognized by the Act are of two general types, as follows:

(1) Those which come within section 26 (c) (1), in that they prohibit or limit the payment of dividends during the taxable year; and

(2) Those which come within section 26 (c) (2), in that they require the payment, or irrevocable setting aside, within the taxable year, of a specified portion of the earnings or profits of the taxable year for the discharge of a debt incurred on or before April 30, 1936.

* * * * *

(c) *Disposition of profits of taxable year.*—Under the provisions of section 26 (c) (2), a corporation is allowed a credit in an amount equal to that portion of the

earnings and profits of the taxable year which, by the terms of a written contract executed by the corporation prior to May 1, 1936, and expressly dealing with the disposition of the earnings and profits of the taxable year, it is required within the taxable year to pay in, or irrevocably to set aside for, the discharge of a debt incurred on or before April 30, 1936. The credit is limited to that amount which is actually so paid or irrevocably set aside during the taxable year pursuant to the requirements of such a contract.

Only a contractual provision which expressly deals with the disposition of the earnings and profits of the taxable year shall be recognized as a basis for the credit provided in section 26 (c) (2). A corporation having outstanding bonds is not entitled to a credit under a provision merely requiring it, for example, (1) to retire annually a certain percentage or amount of such bonds, (2) to maintain a sinking fund sufficient to retire all or a certain percentage of such bonds by maturity, (3) to pay into a sinking fund for the retirement of such bonds a specified amount per thousand feet of timber cut or per ton of coal mined, or (4) to pay into a sinking fund for the retirement of such bonds an amount equal to a certain percentage of gross sales or gross income. Such provisions do not expressly deal with the disposition of earnings and profits of the taxable year. A contractual provision, however, shall not be considered as not expressly dealing with the disposition of earnings and profits of the taxable year merely because it deals with such earnings and profits in terms of "net income," "net earnings," or "net profits."
